Decorations

Brighton Beach House loves to see your personal touch! You're more than welcome to bring your own decorations and branding to make your event even more special. Just a gentle reminder: as much as we adore a good party, let's keep the confetti, glue, and nail guns away – they might not play well with our coastal vibe!

For your peace of mind, please be aware that we can't take responsibility for any loss or damage to property during the event. But don't worry, we're here to celebrate and ensure your function is filled with joy.

Kindly note that we don't have storage facilities, so be sure to take all your equipment and belongings with you when the event wraps up.

Catering Needs

We are here to make a tasty event for you and our chefs have designed some great options. Our events team can personalise things for you and your guests dietary needs, vegan, gluten free or other allergies and intolerances, just let us know.

We require your final confirmed numbers 5 days prior to the event.

Drinks

We offer a lovely selection of local and New Zealand wines, spirits and craft beers, including tap beer and a large non-alcoholic selection. See our menu for the latest selections.

Bar account options include:

Bar Tab - you, the fabulous organiser, get to curate the beverage range and set the limit that suits your taste and budget. Guests can then raise their glasses and enjoy drinks on this account. When the fun is flowing and the tab reaches the limit, our friendly staff will give you a heads up, ensuring you're always in the know. Now, here's where it gets exciting – you have the option to top up the account with more funds, or your guests can dive into their own pockets and pay individually.

Split It - Here's how it works – you get to choose the amount you wish to contribute for each delightful beverage. That amount will be charged to your account, and the rest will be taken care of by your lovely guests.

Cash Bar - Your guests can choose from our entire drinks menu and pay themselves.

Deposit and Confirmation

A non refundable deposit of \$500 is required to confirm your booking. The deposit will be deducted from the final bill subject to no damage to the venue, or equipment and minimum spends being achieved. If a minimum spend is not achieved, the deposit will be retained and the balance will be charged.
